Accreditation

A&M Consolidated High School is accredited by the Texas Education Agency and the Southern Association of Secondary Schools and Colleges.

Community

College Station I.S.D. is one of two public school districts in Brazos County. The district has two high schools, two middle schools, two intermediate schools, nine elementary schools, and one alternative education campus. A&M Consolidated High School is a comprehensive public high school with approximately 1800 students in grades 9-12.

Curriculum

A&M Consolidated provides a diverse curriculum that allows students to design unique programs to meet their individual needs and goals. Choices include regular academic classes, honors courses in all academic areas, advanced placement courses, fine arts, athletics, career and technology, as well as a variety of extra-curricular activities, clubs, and student organizations. Special programs meet needs of students with physical disabilities, hearing/vision impairments, learning disabilities, and emotional disturbances. **The following are the 2016-2017 Advanced Course Offerings:**
